Job Title: Seasonal Horticulture Exhibit Gardener

Memphis Botanic Garden is a 96-acre garden in the heart of urban Memphis featuring 30 display gardens and a wide array of educational programming and community events. The Garden is currently seeking applicants for seasonal positions to maintain plantings associated with a large scale topiary sculpture exhibit, Alice's Adventures in the Garden, which will run May-October, 2022.

We are looking for seasonal staff to provide daily detailed care for these incredible pieces. Applicants should have a discerning, artistic eye to keep these giant sculptures looking their best. Daily work will include watering the sculptures and grooming the plant material to maintain fine details and artistic appeal.

Reports to:

Director of Exhibit Manager

Essential Duties and Responsibilities:

- General maintenance of planted Mosaiculture sculptures
- Shearing and plant maintenance to achieve aesthetics and design for each sculpture
- Work on special projects as assigned

Qualifications:

- Must be able to sustain moderate physical exertion with full range of body motion for lifting up to 50 lbs
- Must be able to use ladders and lifts
- Must be willing to work with hand tools and equipment
- Ability to work in all weather conditions

This seasonal job will ideally run mid-April through end of October working a 40-hours week schedule that will include rotating weekends.
